

Gorbals Church Chat

March 2024

Dear friend,

February has been a packed month with new people coming around the church on Sundays and during the week. It's good to be in closer contact with people who have lived in Gorbals all their lives, students from elsewhere in the UK or from abroad, people in the recovery community and those who are refugees trying to build new lives in Glasgow.

Our theme for worship during Lent is social justice and the church is decorated with a chain of injustice which is being broken week by week as we travel towards Easter. The links were created by people who use the church in various groups during the week.

We have now started a notebook for prayer requests which sits on the counter as you come into the building. Please make use of it to record anything that is concerning you or you want to celebrate and we will pray for you on Wednesdays and Saturdays.

We are sharing our Holy Week services with Gallowgate Church again this year and details are overleaf. Come and join us at any or all of the services.

Until next time...

An afternoon for Primary School age kids and families of all faiths or none.

We will learn why Christians celebrate Easter, and why it's even more important than Christmas to them!

There will be storytelling, Lego, painting, games and music.

Afterwards we will have some nice food for an early tea, with a chance to chat with other local families, as well as the friendly folk of Gorbals Parish Church community.

Pop into the church to sign up or message Catriona on 07933789819

We offer all our activities for free so everyone can be included. If you would like to donate to their running costs or to general church funds please use one of these QR codes to online giving.

Otherwise contact Judith, our treasurer on 07762503970 for more information on giving regularly or as a one-off. There is also a card machine and a money box on the counter. Every gift makes a difference. Thank you.

David only gets his proper birthday every four years as he's a leaping. We celebrated his '20th' birthday with a delicious cake baked by Mo.

Community relations are mushrooming, literally!

As you will know we regularly get surplus vegetables from the Co-op to stock the community fridge and to use in the kitchen. Gorbals Community Grocery also help when they can, and recently brought us 17kg of mushrooms!! We made a huge pot of soup, called our friends at Crossroads The Barn who took some for their kitchen, and the rest disappeared. We managed not to waste any!
