

Gorbals Church Chat

Dear friend,

There was a buzz in the church last week as the Citizen's Theatre Collective went through final rehearsals for the Winter Warmer and the Givin' It Laldie musicians limbered up for the Kids' Choir carol-singing at Gorbals Christmas lights switch-on. It's hard not to sing along in the office.

Some unsuspecting diners from the Yoga lunch also found themselves in Santa hats decorating the Christmas tree in the sanctuary last week. It looks lovely, as does the one at the front door.

This year we are reflecting on the lives of women in Jesus' lineage as we travel through Advent. They're a feisty bunch and some of the stories are not easy. However, they have much to teach us about living out our faith and values. We held an Advent lunch after the service on the first Sunday where we enjoyed a delicious meal and time to get to know each other better.

This coming Sunday (11th) Augustina and Hannah will join our congregation by profession of faith. We are delighted that they have decided to make their home with us.

The days can seem dark and long just now. It's good to know that the Light is coming. We hope to see you over the Advent and Christmas season.

Until next time we wish you a joyful Christmas and a peaceful New Year...
